READ THIS NOTICE: The submission of any film, prints, slides, negatives, videos, CD's or any other media to us for processing, printing, or any other handling, constitutes an agreement by you that if such film, print, slide, negative, video, CD, or any other media is damaged, lost, or mishandled by our company or any affiliated company, agents, or employees, even though due to the negligence or other fault of any of the foregoing, liability will be limited to replacement of an equivalent amount of unexposed equivalent film or media and processing. The foregoing will be your exclusive remedy for any such loss, damage, or mishandling. Except for such replacement, the acceptance for processing, printing, or handling of any film, prints, slides, negatives, videos, CD's or any other media is without warranty whatsoever (whether expressed or implied) or liability of any kind. Recovery for incidental or consequential damage is specifically excluded. All fees are non-refundable. Once finished products leave the premises of Something Different Media Group, Something Different is not responsible for the product. Defects and problems will be re-made. **We do not offer refunds** due to the work required to process and create finished product. Something Different cannot be responsible for any problems that may exist on the finished product. **WE ARE NOT RESPONSIBLE FOR PROPERTY LEFT OVER 30 DAYS.** The customer agrees to pay the standard charges therefore. Note that some films may not be suitable for conversion, and the quality of the finished product is dependent upon original film quality. Turn around times are not guaranteed and may be longer than 12 months. Customer declares that all material submitted for transfer is not in violation of any copyright laws. The ongoing pandemic has caused worldwide delays. These delays have affected the entire technology industry, particularly disrupting supply chains. Something Different has not been spared from these disruptions, and as a result we are experiencing significant delays in order fulfillment. Our team is doing our best to accurately project the timelines for all orders, but the unpredictability in the global supply chain means that there is always a risk of orders being delayed beyond our estimations.
